SELECTMEN'S REPORT

We are pleased to report a great improvement in the operation and appearance of the Disposal Area (Dump), due primarily to the employment of a custodian during hours of operation, and due also to the construction of a chain link fence and gate for use during non-operating hours. The custodian and the gate have given the Selectmen control of the area to assure its proper use.

By taking advantage of a newly devised "Public Institution Plan" for the insurance of town buildings, we have been able to increase the fire and allied insurance coverage by approximately 50%, and at a lesser cost than under the previous coverage; the savings on this policy will largely pay for the cost of the increased coverage on members of the Volunteer Fire Department, which was increased to provide a more realistic coverage commensurate with the hazards of fire fighting and in line with present day costs of medical care, hospitalization, etc.

The incentive of a one percent (1%) discount allowed for early payment of property taxes produced sufficient revenue to preclude the need for borrowing until tax money became available, and once again the Selectmen have made short term investments of available town funds to earn additional revenue.

The purchase of 48 folding metal chairs has initiated a program to eventually replace the damaged and splintered wooden chairs in the Town Hall.

The Selectmen conducted a door-to-door headcount and established the population of Chester on 30 April 1964 to be 1,289. By keeping careful account of births, deaths, and the arrival and departure of families, etc., the Selectmen are able to accurately determine the population of Chester from month to month. The population of Chester as of 31 December 1964 was 1310.

The Selectmen are grateful to all Town Officials, Committees and Boards, and to all Chester residents for their support and cooperation during 1964, and solicit the same for 1965.

POLICE DEPARTMENT

For the year of 1964, the Town of Chester appropriated the sum of \$1,000.00 for their Police Department. Over and above this, there were uncompensated expenses of \$513.60 for operating costs. Comparing the year of 1963, \$1,000.00 was appropriated and there were uncompensated expenses of \$398.60. This shows an increase of \$115.00 spent personally by members of the department in defense of the Town.

LIBRARY TREASURER'S REPORT

The Trustees of the Chester Public Library on June 1st accepted with much regret the resignation of Florence Goldsmith. Florence Omar began her duties as our new librarian on July 1st.

As in the past the four upper grades still take turns coming to the library with their teacher. This year we have added the 3rd and 4th grades, who come to the library once a month.

186 new books were added to our library during 1964.

The Bookmobile from Exeter stops here once in every 8 weeks and we have borrowed about 1800 books from it and 139 directly from the State Library in Concord.

At the present time we have 548 readers. 8167 books were loaned out during the past year.

REPORT OF PLANNING BOARD

The Planning Board held periodic meetings during the year, as required by law, to transact routine business. Special meetings were held when required to hear applicants for permits. Selectmen were present at most of the meetings. A number of joint meetings were held with the Board of Adjustment.

Meetings have continued this year to consider minor changes in the Subdivision Regulations and Zoning Ordinance. The proposed changes in the Zoning Ordinance are covered by an article in the Warrant.

Permits were granted as follows:

New Houses	8
Auxiliary Buildings	2
Garages	2
Mobile Homes	<u>5</u>
Total	17

Applications for permits not meeting requirements were rejected and returned for revision or for submission to the Board of Adjustment.

The Board wishes to express its sincere thanks to the citizens of Chester for their cooperation.

Respectfully submitted,

Miscellaneous	<u>7</u>
TOTAL	35

It is interesting to note that we answered 19 calls in 1962, 23 calls in 1963 and 35 calls in 1964. In spite of the increased number of calls, we were very fortunate in having no major building fires in 1964.

As a result of exceptionally high costs on woods, brush and grass fires we were unable to utilize the Fire Dept. appropriation to improve our existing equipment or add any new equipment this year and used only such money as was necessary for normal maintenance.

We have continued to work on the addition to the Firehouse improving the heating system, lighting and pouring a cement floor in the addition. This was again done with funds raised by the Firemen and from donations from interested citizens of the town.

Through the efforts of the Civil Defense Group the Fire Dept. has one (1) Mobile Radio Unit and one (1) pair of Walkie-Talkies which will provide much better communications at time of emergency.

In the Spring of 1964 ten (10) firemen were given a course in pump operation and this fall fifteen (15) firemen took a course in ladder and hose handling. These are State sponsored courses with the instructor provided by the State and paid with State Funds.

22. To see if the Town will vote to approve the following changes in the Zoning Ordinance of November 16, 1960:-

Add 2.3 Property authorized for non-conforming uses by action of the Board of Adjustment, or by such use prior to the enactment of the Zoning Ordinance will revert to Zone A or Zone B category after two years of non-use for any such authorized non-conforming use.

Add 2.3.1 - Authorizations by the Board of Adjustment for non-conforming uses or variances must be consummated within one year.

Change 3.1 to read: Zone A.

Lots shall contain a minimum of thirty seven thousand five hundred (37,500) square feet, with no major dimension less than one hundred and fifty (150) feet. Lots for two family residences shall contain a minimum of sixty thousand (60,000) square feet, with no major dimension less than two hundred (200) feet.

Add 3.2.7 - Residential buildings will be limited to single family dwellings.

Add 3.4 - Unapproved Roads - Roads reopened, subject to Gates and Bars, in accordance with Chapter 274, Laws of 1963, State of New Hampshire, shall be considered approved roads for the purpose of granting permits. This shall not be considered as committing the Town to any expense in maintaining the road or the gates and bars.

Add to 8.2 - It must be signed by the owner of record.

Add 8.4 - The Planning Board shall take action on all applications within thirty days after receipt.

Add 8.5 - Construction must start within one hundred and twenty (120) days after approval of permit. If not started within this period, applicant must reapply.

Add 8.6 - Construction must be completed within two years after approval of permit. If not completed within this period, applicant must reapply.

Add 8.7 - Permit application forms may be obtained from any member of the Planning Board or the Town Clerk.

Add 8.8 - A fee of one dollar will be charged for each application for a permit.

23. To see if the Town will vote to request the State Tax Commission, or a responsible private concern, to make a complete reappraisal of the lands and other properties within the Town to equalize valuations according to law, and raise and appropriate money for same.

24. To see if the Town will authorize the Selectmen to sell property, acquired by the Town thru Tax Collector's deeds, at public auction.

25. To see if the Town will allow a discount of 1% on all property taxes paid by September 1st, or within ten (10) days after receipt of tax bill.

26. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

27. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 5th day of February, in the year of our Lord nineteen hundred and sixty five.

CIVIL DEFENSE UNIT

With the assistance of the American Red Cross, a course in "Basic First Aid" was conducted; 15 persons received "Certificates of Completion" in the course. A well equipped first aid kit was furnished to the Police Department and one to the Fire Department. A roster of all nurses residing in Chester was compiled and surveys were made to locate facilities which could be used for the housing and feeding of displaced persons, if the need arose.

The Federal Communications Commission has authorized the Town to utilize "Citizens Band Radios" in connection with Civil Defense; two-way radio units are now in operation in the Town Hall and in the Police and Fire Departments. In addition, the Fire Department has been furnished with a pair of battery operated "walkie-talkie" radios, with 2 mile range. With the different types of radio equipment now on hand, I believe that the Town has the equal of, or better, emergency communication capabilities than any other town of similar size in New Hampshire. Plans for 1965 include participating in Statewide Civil Defense exercises, and the acquirement of a small amount of emergency equipment for the sheltering of displaced persons, if the need arises.

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy - both industrial and recreational - is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area - 4,350,000 acres - is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.
3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.

INFORMATION FOR CHESTER RESIDENTS

BURNING REGULATIONS

TO REPORT A FIRE - DIAL 3250

The State of New Hampshire requires that written permits be obtained for all open fires at all times when the ground is not snow covered.

Permits may be obtained from the Forest Fire Warden, Mr. William O. Zimmer, Raymond Rd., for grass, brush, campfires etc. Permits must be obtained on the day burning is to be accomplished.

Burn when there is no wind, on rainy and damp days, in a safe place and in accordance with the terms of the permit. Keep some buckets of water close by; if wind develops, promptly extinguish the fire. All fires must be completely extinguished before you depart the scene.

LICENSING OF DOGS

Each owner or keeper of a dog 3 months old or over must register the animal with the Town Clerk, Miss Ruth Richardson, Chester St., before 30 April. Each dog must wear a collar around its neck with a dog tag affixed thereon.

License fees are as follows: Male and spayed female, \$2.00; female \$5.00. Kennel licenses are available for owners of 5 or more dogs.

DISPOSAL AREA REGULATIONS

The operating days and hours of the Chester Disposal Area (Dump) on the Raymond Rd. are from 1 to 5 P.M. on Saturday and Sunday.

The Dump is for the use of Chester residents only. Paper, cardboard, tin cans, bottles, jars etc., home appliances, furniture and small parts of autos may be deposited. All trash must be thrown over the Bank. Garbage and dead animals or dead fowls must not be brought to the Dump.

SCHOOL WARRANT
STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Chester, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the Stevens Memorial Hall in said district on the 6th day of March 1965, at 8:00 o'clock in the afternoon, to act upon the following subject:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
6. To choose an Auditor for the ensuing year.
7. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.
8. To see if the district will vote to authorize the school board to make application for, and to accept on behalf of, the district any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire
9. To see if the district will vote to authorize the school board to accept, in the name of and in behalf of the school district, gifts for the use of the school.
10. "To see if the district will vote to hold the election of school district officials at the same time and at the same place as the election of town officials, adopting thereby the town check-list and the non-partisan ballot system, in accordance with New Hampshire Revised Statutes Annotated, 197: 1 (a) and 197: 1 (b)."
11. To transact any other business that may legally come before said meeting, including the appointment of legal committees.

Given under our hands at said Chester this 18th day of February,
1965.

SCHOOL HEALTH REPORT

The school health program is an integrated part of the total education of your child. We continue to try and meet the demands of an ever-growing community.

Vision tests were done on all children during the year. Of the 203 children examined, 10 were referred for further eye examination. Hearing tests were done on all children in grades 1, 3, 5 and 8. Of the 120 children examined, 4 were found to have hearing loss.

The dental clinic, sponsored by the P. T. A., was held the week of March 3 with Dr. Arnold Tannenbaum of Laconia as the participating dentist. 55 children were examined and 36 fillings done. The dental clinic is a control and dental health education program. Its aim is to prevent decay and loss of teeth. Therefore, the majority of time is spent in filling permanent teeth.

The tuberculin patch testing program was conducted during the month of May. 102 children in grades 1, 3, 5 and 8, whose parents so desired, received the patch test. The portable x-ray unit was set up in Grinnell School, where 2 children who had positive reactions received chest x-rays.

The pre-school registration clinic was held in May for all children entering school in September. At this time each child receives a vision, hearing and motor coordination test. 18 children were registered at the clinic.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Chester, New Hampshire:

I hereby submit my second annual report as your Superintendent of Schools. I have divided the report into personnel, housing, curriculum and appreciations. The reports of the principal, nurse-teacher and other statistical information will carry the more specific information.

PERSONNEL

Grade I - Mrs. Evelyn Patton who attended Siena College and had teaching experience in Massachusetts. Mrs. Patton replaced Mrs. Greeley who had taught Grade I in Chester for many years.

Grade III - Mrs. Janice Jacobs, a graduate of the University of Maine with teaching experience in New York State and in Maine was employed as authorized at the last district meeting so that our school could be staffed with eight separate grades.

Grade V - Mr. Leonard Harwood, who attended Keene State College and is currently taking courses at the University of New Hampshire was hired to take the place of Mr. Benjamin Hallowell.

We were indeed fortunate to have only three changes, one of which was the hiring of the additional teacher to bring our teaching staff to eight members.

I am confident that we will have a difficult time securing replacements another year unless we are allowed to offer salaries that compare at least with the surrounding towns.

HOUSING

The opening of the additional classroom uses all of the available teaching space in our building but the efficient and better teaching afforded makes it well worth the expense.

I believe that a study committee should be appointed to ascertain our future classroom needs as well as look to the future in Junior High and High School education.

Your school board continues to maintain the present building by a planned schedule of work for each year.

CURRICULUM

Your school board has continued the program of providing new textbooks as far as it is possible each year. Their interest in the curriculum has brought about a class for adults in "Modern Math." This was aimed at the explanation of methods of teaching math to the children who are now receiving "modern math."

The University of New Hampshire offered a course in Modern Math

for teachers at the Hood School in Derry during the Fall Semester. We also have held inservice meetings with the teachers to acquaint them with new ideas and methods as well as new materials that are best used in teaching.

APPRECIATION

Your principal, Mr. Nightingale continues to do an excellent job for which I thank him. I also wish to thank the teachers, students, lunchworkers and Mr. Berry for their efforts on behalf of the children.

The P. T. A. and other organizations and individuals who have given of their time or money are also to be thanked.

Respectfully submitted,

ROBERT W. DOLPH
Superintendent of Schools

REPORT OF ASSISTANT SUPERINTENDENT

It is my pleasure to present my second annual report to the Citizens of Chester for the year ending June 30, 1964.

There have been some changes in faculty and enrollment during the past year. This necessitated an added classroom - making one room for each grade.

Of particular interest to the town should be the preparation of students to go on to a variety of High Schools. At present the large majority of our graduates go to Pinkerton Academy; others attend Sanborn Seminary, Raymond High School and Memorial High School in Manchester. We cannot have the type of program that could prepare the individual for a special high school. I am quite sure we would not wish to do so even if we could. There are areas, however, where our pupils are not as well prepared or, in some cases, not at all prepared for secondary education. Some of these areas are as follows:

1. Physical Education
2. Guidance
3. Languages
4. Library
5. Algebra I for those students who can do the work and desire certain types of education.
6. Shop and Home Economic experiences.

Another problem to be faced is the high school dropout. While not excessively high it reflects a lack of preparation and guidance. To many of our young people the problem of coping with a new situation as well as not knowing where to go or how to get there adds up to more than they wish to fight. It is much easier to settle for small weekly paychecks and hope for better things. We must help them to adjust to early days in high school. Departmentalization goes a long way with this. Your seventh and eighth grades, while partially departmentalized have some way yet to go.

I wish to take this opportunity to thank the people of Chester, the School Board, Mr. Dolph and members of the faculty and staff for making this another successful and pleasant year.

Respectfully submitted,

IRA A. STICKNEY
Assistant Superintendent of
Schools

REPORT OF THE PRINCIPAL

It is with gratification that I present this report to the people of Chester for the year ending June 30, 1964.

Beginning in September and during the first succeeding weeks our enrollment increased to the figure of 205 pupils. As a result of the resignation of two teachers last June, two new members were assigned to the teaching staff.

Our curriculum has taken on a modern approach as a result of a modern mathematics program replacing the traditional approach, particularly in the primary grades. In addition we have introduced a new spelling program in all the grades. We also received a tape recorder for use in the Reading and Language Arts programs as well as a number of maps for use in Social Studies. Our current plans provide for the education of the whole child through group practice and individual programs.

A Science Fair and a Mathematics Fair were held with considerable success as a result of the excellent participation and interest displayed by the students and parents. These types of activities provide for extensive educational experience which can be received in a relatively short time.

The Chester P. T. A. had undertaken the project of procuring an overhead projector and has successfully accomplished its goal. I wish to take this opportunity to thank the many dedicated people who made this project possible.

A change which we are looking forward to in the coming school year is the addition of another teacher, thus alleviating the crowded conditions in two rooms which comprise three grades and therefore having a teacher for each respective grade. It will give us a greater opportunity to achieve our aim, "Equality of Educational Opportunity," for the pupils of Chester School.

With sincere appreciation, I would like to thank the citizens of Chester, the School Board, the Superintendent, the Assistant Superintendent, the Teaching Staff, the Custodian, and the Cafeteria Staff for their enthusiasm, encouragement and most helpful cooperation.

Respectfully submitted,

WARREN A. NIGHTINGALE
Principal
